ime Brings Happiness With The Dawn

The Coming of Baby Marks the Advent of a Glorious Future.

Scientists say great stress should be taid upon the remarkable influence which the mother's happy pre-natal disposition has upon the health and future of the generations to come.

There is a splendid preparation women for over half a century have applied before the stork's arrival known as Mother's Friend. This is a most grateful, penetrating remedy that at once softens and soothes the myriad of broad, flat abdominal muscles under the skin of the abdomen. By its regular use during the period the nerves, tendons and cords are reluxed and there is an absence of nausea, bearing, flowing the period the nerves, tendons and cords are reluxed and there is an absence of nausea, bearing. Gown pains, strain and general discomfort more often than otherwise experienced when nature is unaded.

By the use of Mother's Friend night and morning the muscles rolax with and morning the muscles rolax with a size when baby comes, the time at the crists is shorter and pain and danger is naturally avoided.

Write the Bradfield Regulator Company, Dept. E. Lamar Building Atlanta, Georgia, for their Motherhood Book, and obtain a bottle of Mother's Friend from the druggist, by all means, and get into condition to meet the crists.
